Frequently Asked Questions

Why choose thl

thl is the world's largest RV operator, offering rental brands maui, Apollo, Britz and Mighty Campers in Australia. Our vehicles offer everything from compact campervans to large motorhomes; with varied price points and features to suit your needs. (This flyer applies to all brands unless otherwise stated.)

maui is our signature motorhome brand, Britz suits adventure seekers with campers and 4WD options in Australia, Apollo offers the widest range and Mighty and MightyLITE offer the basics done brilliantly at a great price.

How old do drivers need to be?

All drivers must be 21 years or older to hire our vehicles. However, some Mighty vehicles are available to drivers aged 18 and over (with a full license), giving younger drivers plenty of options.

Do I need a special driver's license?

You do not need a special license, but a current and full motor vehicle driver's license is required for all drivers and must be shown at pick up. If the license is not in English, then an accredited translation or international driver permit must be provided along with your driver's license.

What is the minimum rental period?

The minimum rental period is five days. Longer minimums may apply over peak season and for one-way rentals.

Can I travel one-way?

Yes! One-way travel is available between our 10 branches across Australia. Sometimes you might get a better deal by travelling in the opposite direction. Based on seasonality, one-way fees and minimum rental periods may apply so check with your travel consultant for more information.

Are there any restrictions on where I can travel?

Yes. Our 2WD vehicles are suitable for sealed roads and well-maintained access roads of up to 12km to campgrounds or attractions. For those looking to go further off the beaten track, our 4WD campers are built to take you there.

For guest safety, seasonal road restrictions apply, including limits on beach driving and certain roads. Please refer to our latest Terms and Conditions or speak with your travel consultant for full details.

Can I check-in online?

Yes. We need you to check-in online no less than 30 days prior to pick up at <https://sci.thlonline.com> to ensure we have your details before you arrive. This also enables us to send you essential advice and information about your upcoming trip.

Any top tips?

Book your first night at a campsite before you leave home. It takes away the stress of finding somewhere to stay on your first night and ensures you can plug into mains power to fully charge your camper's house battery. Campsites can be easily booked through the free **thl Roadtrip App**, where you'll also find great places to eat, activities, attractions, and freedom camping locations.

Branch Locations

Branches are open 7 days a week, except during off-peak periods when some are closed on Sundays. Alice Springs, Broome and Darwin branches close during off-peak months. All branches are closed on Christmas Day, New Year's Day and Observed Australia Day. For pick-up and/or drop-off on other public holidays a fee will apply Refer to the Rental Agreement or your travel consultant for all the public holiday dates.

Included in the Rental Rate

- › Unlimited kilometres for 2WDs and 300kms per day for 4WDs
- › Kitchen equipment, general living equipment, linen and bedding
