Flex Rates

We use a Flex pricing system. Flex Rates allow **thl** to offer flexible pricing, which gives you the opportunity to secure the best possible rental rate. The Flex Rates are based on a very simple system of supply and demand. So, when there are many RVs available for hire from a location, the rental rate is lower. Generally, this means that the earlier you book, the better the rate!

Flex Rates reset after 7 days. Please refer to the Rate Plan document provided by your Account Manager for further details.

PRICING, PAYMENTS AND BOOKING

Credit Cards

We accept Visa, MasterCard and American Express. The following fees apply for the rental charges, any additional products (irrespective of chosen account e.g. savings, credit, etc) and the liability deposit:

	Rental/Extras
Visa/Mastercard Debit

Fees are subject to change

Exchange Rate and Currency Variations

All transactions are conducted in Australian dollars. Due to exchange rate fluctuations, there could be some variance in the amount refunded compared to the amount initially charged. Refunds by credit card can take up to 14 business days depending on the guest's financial institution. **thl** will not be responsible for credit or debit card fees or bank-imposed fees relating to currency conversion or foreign transactions.

Booking Conditions

Driver's Licence and Minimum Age

A current and full motor vehicle driver's licence is required to be shown at pick-up and all drivers need to be present. If the driver's licence is not in English, then we require an accredited English translation or an International Driving Permit.

Drivers of Mighty Campers (Highball, Double Down) and MightyLITE Campers (HiLITE and DeLITE) must be 18 years of age or over, with a full driver's licence.

For all other RV types drivers must be 21 years of age or over with a full driver's licence and the licence must be valid for the entire booking duration.

It is important to select the correct country in which the driver's licence was issued to ensure correct rates are calculated. If the hirer presents a driver's licence that is from a different country to which the booking was created the guest may incur additional charges.

To secure an extension, the extra costs (calculated on the current rate of the day), will need to be paid by credit card inclusive of all taxes and surcharges, either over the phone or at a **thl** Branch at the time of extension. Any long-term discounts in place will continue to apply to the booking.

We will always do our best to accommodate any extensions, subject to vehicle availability.

Change of RV

Our RVs can be requested by category, not by make or model. We always do our best to accommodate requests, however **thl** reserves the right to substitute the booked RV with an alternative available RV without prior notification and at no extra cost. Any changes made to the booked RV and agreed to by the guest shall not constitute a breach of contract and does not entitle the guest to a refund.

LIABILITY, REDUCTION OPTIONS & RELATED PACKS

When renting an RV, it can be daunting when trying to decide whether to pay extra for peace of mind in the event of an accident. It is important for you to understand the options we have available and to guide your guest so they can decide what's best for them.

If a guest has an accident (for example, hits another vehicle) they will be liable for all costs to the RV as well as the vehicle they have hit. Our Liability Options and Packs can provide peace of mind and financial protection for the guest. If they have purchased the Platinum Pack, they will have the highest level of coverage available (if all terms of the Rental Agreement are met).

We do have varying levels of cover, as outlined below. Please refer to the Rate Plan document for pricing of the Value Pack and Platinum Pack.

The amount payable for each Liability Option is based on the number of days of hire for the minimum rental period applicable for each RV or total days of the RV booking. The minimum charge for the Platinum Pack is 10 days per rental segment. The maximum charge for all Liability Options is 50 days per rental segment. 4WD Liability Reduction is only available to purchase in conjunction with The High Road or Value Pack and is included in the Platinum Pack.

LIABILITY, REDUCTION OPTIONS & RELATED PACKS

Liability Deposit

The Liability Deposit payment will depend on the Liability Option chosen and the credit card holder must be present to sign for the Liability Deposit when they pick-up the RV and is liable for any damage to the RV.

- The total liability deposit will be debited to the credit or debit card immediately, where:
 - The guest has chosen to take the **Low Road**
 - The guest is travelling in a 4WD and has chosen either the **High Road** or **Value Pack**, without 4WD Liability Reduction.
- A credit card authority will be recorded at the time of pick-up, where:
 - The guest is travelling in a 2WD and has chosen to take the **High Road**, **Value Pack** or **Platinum Pack**
 - The guest is travelling in a 4WD and has chosen to take either the **High Road** or **Value Pack** in conjunction with **4WD Liability Reduction**, or the **Platinum Pack**.

The liability deposit is fully refundable including the credit card administration fee, if the card used to provide the Liability Deposit is a Visa credit or debit card or MasterCard credit or debit card, provided our rental contract terms are met, and the Vehicle is returned undamaged. **thl** recommends that guests use a Visa credit or debit card or MasterCard credit or debit card for the Liability Deposit, as the credit card administration fee that applies when using American Express credit card is not refundable. Credit card refunds (including liability deposit refunds) can take up to 14 business days depending on the guest's financial institution.

If there is damage to the RV on its return or any other terms of the rental contract have not been met, the liability deposit will be used to cover the cost up to the amount of the relevant Liability. If the terms of the Rental Contract are not met and the liability deposit is not sufficient to cover the damage, extra costs will be charged.

If a guest is continuing with another **thl** RV booking, the liability deposit can be transferred to the next booking within Australia.

Damage

^'Damage' means any loss or damage to the Vehicle, which is not noted on the Vehicle Condition Report, including that caused by theft of the Vehicle or by adverse weather events, that requires repair or replacement including the loss of use of the Vehicle, legal expenses, assessment fees, towing and recovery costs (from roads and areas where permission to travel had been granted by **thl**), storage, service charges and any appraisal fees of the Vehicle. **There are exclusions to Reduction Option cover where the Guest will be responsible for all costs, as outlined below:**

Liability Exclusions:

LIABILITY, REDUCTION OPTIONS & RELATED PACKS

Travel Insurance

For peace of mind, we strongly recommend that all guests take out the highest level of private travel insurance.

Personal Injury

The RV has Third Party insurance cover, and it is likely that any other vehicle involved in an accident also has Third Party insurance. Depending on the circumstances of an accident, the guest may be entitled to claim for their personal injury against the Third-Party insurance of the party responsible for the accident. The extent of such Third-Party insurance varies in different States and Territories and **thl** strongly recommends that all passengers take out their own Personal Injury travel insurance.

thl does not accept any liability for personal injuries sustained during the rental. Except where such loss or damage is caused by **thl**'s (or that of its employees) own negligence or breach of the Rental Agreement Terms and Conditions. **thl** does not accept liability for any loss or damage to any personal belongings or property of the Customer (or any person or entity related to the customer).

Property Damage

The RV is insured for damage to it and damage to the property of a third party. However, the guest is responsible up to the amount of the applicable Liability for damage to third party property, or to the RV. The guest is also responsible for the cost of the daily rate for the period the vehicle is being repaired. There is no refund for any unused portion of the rental period. The Liability applies to each claim, not RV.

thl reserves the right to charge the guest for any RV damage including Third Party property damage not reported but identified on return of the RV.

ONLINE CHECK-IN, PICK-UP & DROP-OFF

Online Check-In

It is mandatory for guests to complete **thl**'s online check-in no less than 30 days prior to pick-up; the same way they would check-in for a flight. This ensures we have the right information about them, and all guests who will be driving the RV during their trip. They will also be asked to tell us their expected arrival time and watch the **thl** Safe Driving video, which is full of tips and advice on driving an RV in Australia. The Online Check-in can be accessed at <https://sci.thlonline.com/>.

What to expect on pick-up

Each driver needs to present their physical, full, valid driver's licence upon collection of the campervan (photocopies are not accepted) and all drivers are required to sign the rental agreement.

If the driver's licence is not in English, then we require an accredited English translation or an International Driver's permit, along with the physical driver's licence. We must sight both at pick-up otherwise we cannot release the RV.

The RV can only be collected within the branch operating hours. Guests need to be there no later than an hour before closing time.

Please ensure your guest allows plenty of time at the branch for the pick-up process. We want to give each guest the space to ask any questions they may have to ensure they can get on the road safely, and with confidence. We find some guests need more time than you'd expect to pick-up a camper, as there are a few more things to run through than with a usual car hire. Please ensure your guest allows enough time so we can show them everything they need to know and make sure they have an awesome road trip.

Where children sit

All children aged seven years and under must travel in an approved child restraint. The type of restraint required for each child depends on their age and size. Guests must refer to the child restraint guideline for the appropriate child restraint. A maximum of two child restraints can be fitted to RVs (model dependent).

Returning the RV

The RV is a home away from home and for comfort, we recommend it's kept tidy throughout the road trip. The RV needs to be returned to the branch in the condition that it was taken, with full LPG bottle/s, full tank of fuel, with the tank full of AdBlue (where applicable), with the interior cleaned as well as the holding tanks and toilet cassette (where applicable) emptied. The RV exterior does not require cleaning unless it's covered with excessive dirt or mud, making it difficult for our team to see its return condition. The Drop and Go Pack or Refuelling Pack are available to be pre-purchased or added on at pick-up for a quick and easy return.

Guests who travel to restricted areas without permission may void all Liability Cover in the event of damage or accident.

Kilometres

For the safety of guests please don't underestimate the time it will take to drive from one point to another. While our 2WD RVs include unlimited kilometres, we recommend travelling a maximum of 250 kilometres per day or the equivalent of 4-5 hours driving. We encourage our guests to take a break from driving at least every 2 hours.

Our 4WD rates include 300 kilometres per day, however, should a little more adventure be needed, an unlimited kilometre package is available before or at time of pick-up. If the unlimited kilometre package is not selected any excess kilometres will be charged at 0.55 centre per kilometre, payable on return.

Infringements, Tolls and Fines

thl will pass on any charges the guest receives for traffic infringements, toll, or parking fines during their road trip. For toll way fees received, **thl** will charge the guest's credit or debit card upon receiving the toll way notice, along with an ^administration fee per charge. If **thl** cannot nominate the guest for traffic infringements or traffic fines the guest incurs, **thl** reserves the right to charge the guest's credit card for the full amount of the traffic infringement or traffic fine. **thl** will make reasonable attempts to issue the traffic infringement or traffic fine to the guest. An ^administration fee to cover associated administrative costs per traffic infringement or parking fine received may be charged. (^Refer to the fees table on page 16).

Animals

We believe fur friends can only make a road trip better. Pet dogs and cats are allowed to travel in Britz, Apollo, Mighty Campers and MightyLITE Campers. A pet fee applies – refer to the fees table on page 16 (excludes service animals). Service dogs are permitted in all RVs. If a vehicle is returned soiled by a pet, **thl** reserves the right to charge an extra cleaning fee. Our full policy can be viewed on the Britz, Apollo and Mighty websites.

We understand that while on holiday the RV may require small repairs. To avoid further disruptions to the road trip, if the damage was not caused by the guest, repairs up to \$100 can be completed without authorisation and will be reimbursed upon presentation of receipts. If repairs over \$100 are needed, the On-Road Assist team should be informed prior to any repair being completed. Unauthorised repairs are not permitted. All RVs are covered by Australian Automobile Association and 24hr mechanical emergency roadside assistance is available if needed. Please contact On-Road Assist on 1800 849 859 or +61 2 6698 4049.
